## Monthly Farmers Market Report

Dey Dey's Best Beef Ever is a recent addition to the Mar Vista Farmer's Market. Providing an alternative to grocery store meats, they sell grass-fed beef which is rich in Omega-3 fatty acids. Dey Dey's does not use any hormones or antibiotics in raising their herd. You can also purchase pasture raised organic chicken available whole, half or parts.

Summer stone fruits have already made their appearance at the market: apricots, pluots, apriums, nectarines and peaches. In coming weeks you'll see a large variety of both peaches and nectarines, each with a slightly different taste and flavor. Their variety names alone make you look forward to them. For peaches there are spring snow, best maid, David sun, gold lions, sugar maid, summer lady and sweet scarlet. Nectarine varieties will include June glow, arctic jays, arctic star, honey blaze and honey royals. Look for mangoes from Wong Farms in August and September.

Recently noticed at Baba Foods are baked nopal chips made from cactus leaf, corn, cactus powder, salt and a hint of lime. Enjoy the bounty of seasonal fruits and vegetables at the Mar Vista Farmer's Market while supporting our local farmers.

On Friday, May 27, Pacific Area had an increase of burglaries throughout the division. Three of those burglaries occurred on Clarkson Rd, Sawtelle Blvd & Barry Ave in the Westdale/North Westdale area.

Please report suspicious activity to police (911 if the burglary is in progress & 877-ASK-LAPD for suspicious activity).

The suspects that have been targeting the area are gang members. They are male blacks, 17-25 years old, sometimes posing as door-to-door solicitors. Burglaries in the Westdale and North Westdale areas had decreased, and I don't want the activity that occurred on The 27th to be the start of a burglary spike. If you have any questions, please don't hesitate to contact me at the number provided below. Have a great day!
